### Programming

We have Steampunk, Gaming, Science, Sex and Art Panels scheduled, check your Pocket Program & Area Guide for times and locations. Here are some highlights: GoH Speeches & Ceremonies are currently scheduled for 2:00 pm Saturday to allow time for some Writer and Fan Panels after and a nosh or a nibble for us all before the Art Auction begins at 8pm. We'll also keep you busy with Author Readings and other interesting stuff. We have a preliminary schedule at this time so please see the website for all those details.

### Gaming

We have a very exciting Gaming Program this year. Check below to see some of the different games being presented. Please sign up now for

games you wish to play or run by contacting our [gamemaster@con-stellation.org](mailto:gamemaster@con-stellation.org). Look for Steve Jackson to walk through the gaming room from time to time. You can bring your own games to our open tables — we want you to have lots of fun — see you at the Con!

### Volunteers Sought

Like most SF cons, Con†Stellation is entirely run by volunteer labor. We're always seeking volunteers and we'd *love* to include you in that number. Write us or ask at the convention registration desk, we can always use you for a limited time if that is all you have for us.

### How To Get There

You can get to the hotel from several directions. Take Exit 17 from I-565 to Jordan Lane, travel North (left) to University Drive, turn East (right) & look for the Holiday Inn Express sign on the North (left) side of road. The hotel entrance is just past the concrete divider on University Drive, see the map on our flyer.

### Quick Information

For a rapid reply to your questions on any Con†Stellation business, call **Mary** at (256) 829-9195, between 7:00pm and 9:00pm. No collect calls, please. There is an answering machine on the line for other times or you can email [chair@con-stellation.org](mailto:chair@con-stellation.org).
