

March 2020 NASFA Minutes

by Doug Lampert

Meeting called a meeting at 18:05:45 at the regular location, by Sam Smith (acting in place of the absent Steve Sloan acting in place of the absent Mary Lampert), minutes were taken by Doug Lampert in place of the still absent Steve Sloan.

OLD BUSINESS

We are old.

Do we have business.

Last month's minutes (cleverly printed in advance by Sam Smith) indicate that Dues are Due and that the next two meetings (now one) are moved. This assumes no zombie apocalypse.

NEW BUSINESS

It's quiet, too quiet.

Does anyone want fanzines? (No, Sam will make them go away.)

Steve Francis sent Sam info on the 2020 NASFIC in Columbus (August 20-23, 2020), Steve and Sue are the fan guests.

Moving on: Hand that to Gary (that is the list of all passwords for NASFA social media), Sam wants to delete gobs of email accounts.

MidSouthCon for this year has been cancelled.

NOT-A-CON BUSINESS

Mary and I have done NOTHING, NOTHING, we have not talked to the hotel, we have not talked to David Miller, we have not talked to Stephanie or other possible guests, Mary (being absent) isn't even talking to NASFA
