

## **January 2024 NASFA Minutes**

by Steve Sloan

The January meeting of the North Alabama Science Fiction Association was called to order on Saturday, January 20, 2024 over Zoom at 6:01:26 PM by President Mary Lampert.

### **OLD BUSINESS**

Dues are due.

### **NEW BUSINESS**

Misty and Martin have their church in Hazel Green reserved for the next NASFA meeting on February 17. We would have met there in January if weather and icy roads had allowed it.

GigaParts sent an email to the club suggesting that we can use their new store location for our meetings. Too bad they only offered days other than Saturday.

Could we have meetings at Mike K.'s house? We would need a room stretcher to fit.

### **NOT-A-CON BUSINESS**

Not-a-Con co-con chair Mary said no work on Not-a-Con had been done so far by herself or co-chair Judy. It will preferably be held the same weekend as the club meeting, on the third weekend in October.

Sam reported that he still hasn't closed the books on last year's Not-a-Con, because not all of the tee-shirts have been delivered.

Sam moved to adjourn at 6:07:41 PM.

For the January program, we looked through some of the homemade Jeopardy games on the Jeopardy Labs website, and played through several. Mike K. also showed off a few of the new videos he's found for Short Attention Span Theater.
