

July 2026 NASFA Minutes

by Steve Sloan

The July meeting of the North Alabama Science Fiction Association was called to order on Saturday, July 18, 2026 at Grace Presbyterian Church at 6:06:14 PM by President Mary Lampert using car keys instead of the gavel.

OLD BUSINESS

The NASFA mailing list is going away. Willowbrook is kicking us out at the end of the year. We currently have no meeting location set up for next month.

Sam looked into meeting at Gigaparts. It would cost money. Holiday Inn? It would cost money and they have no function space. The Deep? We'd have to change days to avoid their big gaming Saturdays.

We can continue to meet at Grace Presbyterian for free as long as someone from the Kennedy family is there, but it costs if they're out. Do we want to meet at Grace Presbyterian or Willowbrook next month? We can ask if we can meet here, and if not we can go back to Willowbrook.

NEW BUSINESS

According to Judy, we usually have the NASFA auction in August. Dan Thompson would like to give a presentation about the Green Hornet soon. Les Johnson may do a program but he's been out of town a lot lately.

NOT-A-CON BUSINESS

According to Mary, Not-a-Con has a hotel and it has dates set up for October 16-17, 2026. You can make hotel room reservations on our website.

Is anyone doing food? Judy will if she's not sick. Jenny did a good job last year at the last second when Judy came down with COVID.

Jenny suggested that we should ask the writers' group. Sam will reach out to them on Tuesday.

Feel free to suggest ideas for Not-a-Con.

Sam moved to adjourn at 6:19:32 PM.

For the July program, Judy showed a couple of behind the scenes videos for "Project Hail Mary". The After the Meeting Meeting was held at the same location as the meeting.
