April 2016

The Next NASFA Meeting is 6:30P Saturday 16 April 2016 at the Regular Location

Concom Meeting 3P at the Church, 16 April 2016

¡ Oyez, Oyez ¡

The next **NASFA Meeting** will be **16 April 2016**, at the regular meeting location—the Madison campus of Willowbrook Baptist Church (old Wilson Lumber Company building) at **7105 Highway 72W** (aka University Drive). Please see the map at right if you need help finding it.

APRIL PROGRAM

The April program will feature Michael Mercer, speaking “Costume and Prop Building.”

APRIL ATMM

The April After-The-Meeting Meeting will be hosted by Maria and Adam Grim at the meeting site. The usual rules apply—that is, please bring food to share and your favorite drink. Also, please stay to help clean up. We need to be good guests and leave things at least as clean as we found them.

Belated thanks to Tracey and Jim Kennedy for hosting the March ATMM.

CONCOM MEETINGS

The next Con†Stellation XXXIV Concom Meeting will be 3P on 16 April 2016—the same day as the club meeting. Going forward, it is expected that concom meetings will continue to be on NASFA meeting days, at least until we get close enough to the con to need to meet twice a month.

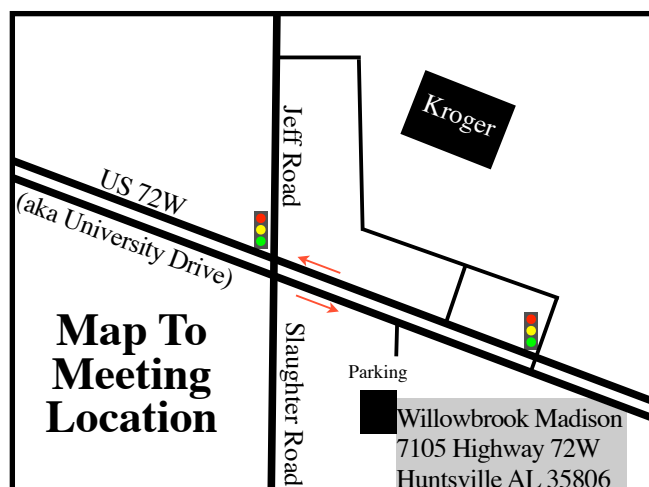

FUTURE PROGRAMS

Several future programs have been set:

- June: More-or-less Annual NASFA Picnic at Sue's house.

This will subsume the meeting, program, and ATMM that month. Stay tuned for the start time.

- August: Les Johnson will give a talk as well as reading from his new book *On to the Asteroid* <tinyurl.com/OttA-Amazon>(co-authored with Travis Taylor). The book will be released 2 August 2016.
- October: Con†Stellation Postmortem.
- December: NASFA Christmas Party (location TBD). Stay tuned for other months and for info on a likely New Year's Eve party.

FUTURE ATMMs

We need After-The-Meeting Meeting volunteers for all future months in 2016 except May (Doug and Mary) and June (Sue hosting the cookout/picnic). We need a volunteer for the Christmas Party. Also stay tuned for a probable New Year's Eve party.

FUTURE CLUB MEETING DATES

Two future 2016 NASFA meetings have been changed off of the normal 3rd Saturday due to convention conflicts:

- The August 2016 meeting will be on the 13th, one week earlier than usual due to the KC Worldcon.
- The October 2016 meeting will be on the 22nd, one week later than usual due to Con†Stellation.

EARLY SHUTTLE CUTOFF THIS MONTH

The *Shuttle* had to be put to bed especially early because of income tax season. As this is written, the exact cutoff as well as the mailing date is undetermined, but the *Shuttle* may be shorter than usual as a result.

CHANGING SHUTTLE DEADLINES

In general, the monthly *Shuttle* production schedule has been moved to the left a bit (versus prior practice). Though details are a bit squishy, the current intent is to put each issue to bed about 9 days before each month's meeting.

Please check the deadline below the Table of Contents *each month* to submit news, reviews, LoCs, or other material.

JOINING THE NASFA EMAIL LIST

All NASFAns who have email are urged to join the NASFA email list, which you can do online at <tinyurl.com/NASFAEmail>. The list is usually low traffic, though the rate is rather variable. Generally the list is limited to announcements about club activities plus the occasional message of general interest to north-Alabama sf/f/h/etc. fans. Non NASFAns are both *encouraged* and *welcomed* to join the list, but please only do so if you're interested in the above restricted topics.

NASFA CALENDAR ONLINE

NASFA has an online calendar on Google. Interested parties can check the calendar online, but you can also subscribe to it and have your Outlook, iCal, or other calendar automatically updated as events (Club Meetings, Concom Meetings, local sf/f/h/etc. events) are added or changed. You can view the calendar online at <tinyurl.com/NASFACal>.

HUGO AWARDS SCHEDULE & NEWS

The nominating round for the 2016 Hugo and Campbell Awards—and the 1941 Retro Hugo Awards—closed on 31 March 2016. Members of the 2015, 2016, and 2017 Worldcons were eligible to vote in this round. The administrators will now tally the noms, confirm eligibility, and attempt to contact potential finalists to give them a chance to decline. (Acceptance is the default.)

Finalists will be announced by MidAmeriCon II <midamericon2.org> on 26 April 2016, with voting in the final round running from 15 May–31 July 2016. Winners will be announced at a ceremony on the penultimate day of the con, to be held 17–21 August 2016 at the Kansas City Convention Center and surrounding hotels in Kansas City MO. Voting in the final round is open only to MAC II members.

During the nominating process, some participants noted that they were not receiving a confirmation email when they updated their nominating ballot. MAC II has released a statement:

"In the final days of the Hugo Nomination Period, the

high volume of nominating traffic led to a problem with our nomination email receipts. We sincerely apologize for the confusion and concern that this has caused. This error only affects the email system and not the nomination ballots. While a few members may still receive emails from our system, we have identified what caused this problem and have taken the appropriate steps to prevent this from happening during [final] Hugo voting."

YES, WE HAVE PUPPIES; LOTS OF PUPPIES

In other Hugo nomination news, both the Sad Puppies and Rabid Puppies were active again this year. The latter published what can really only be called a slate again this year—with exactly 5 so-called recommendations in the large majority of categories; the same as the number of nomination slots.

The Sad Puppies list was much less slate-like this year, with a variable number of works/persons in each category. Basically, each category was a list of recommendations to the Sad Puppies administrator, ranked by the number of "votes" it/they received. Ignoring those that received only 1 rec, there were from 1–19 works/persons in all but the novel category—where the top-ranked item had 59. Even there, only 25 persons cited the top item, so there was no *overwhelming* consensus.

TWO GENRE-RELATED EVENTS AT UAH

Last month the *Shuttle* brought you news of a UAH symposium (*Imagining the Present: Science, Science Fiction, and Society*) featuring genre authors Joe Haldeman and Vandana Singh. It is still scheduled for 6–8P Friday 8 April 2016 at the Roberts Recital Hall <goo.gl/maps/YBG56X9uJ8u>.

This will now be joined by a lecture and Q&A session by Dr. Leah Ceccarelli (University of Washington) about the persona of the scientist in public discourse <tinyurl.com/PofSitSWT>. Dr. Ceccarelli will address genre film as part of her talk. The event starts at 4P on 14 April 2016 in Room 227 of the Charger Union building <goo.gl/maps/TH812AdMdkz>.

Contact <Eric.Smith@uah.edu> for any further info on either event.

TAFF VOTING ENDS

In a pretty close race, Anna Raftery won the 2016 Trans-Atlantic Fan Fund <taff.org.uk> vote and will attend the Kansas City Worldcon. The vote was:

| Candidate | Europe* | North America | Totals |
|------------------|---------|---------------|--------|
| Anna Raftery | 69 | 25 | 94 |
| Wolf von Witting | 56 | 26 | 82 |
| No Preference | 4 | 10 | 14 |
| | 129 | 61 | 190 |

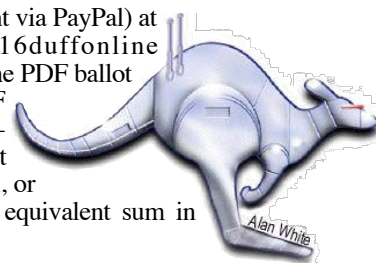

* The Europe column includes 1 "Rest of the World" vote

Additional details—including statements from both Raftery and von Witting—can be seen at <taff.org.uk/news/TAFFWorld06.pdf>.

DUFF VOTING STARTS

Voting for the Down Under Fan Fund <taff.org.uk/duff.html> has opened, and will run through 16 May 2016 Australian Eastern Standard Time. In this northbound year, an Australasian delegate will be selected and expected to attend the Kansas City Worldcon. There is one candidate, Clare McDonald-Sims.

You can vote online (payment via PayPal) at <ozfanfunds.com/duff/2016duffonlineballot.html> or by mail using the PDF ballot at <ozfanfunds.com/duff/DUFF_ballot2016.pdf>. Voting requires "a contribution of at least \$5 in US, Australian, Canadian, or New Zealand currency, or an equivalent sum in other currencies."

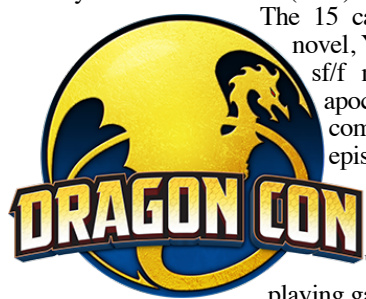

HWA SCHOLARSHIPS

The Horror Writers Association has announced two scholarships related to the upcoming StokerCon 2016 <stokercon2016.horror.org>, to be held 12–15 May 2016 at the Flamingo Hotel in Las Vegas NV. The “Horror University’s Scholarship From Hell” will pay **Sumiko Saulson**’s transportation, accommodations, convention membership, and as many workshop registrations as desired. A “mini-scholarship” (for convention membership and registration for up to 5 workshops) will go to runner-up **Hillary Dodge**.

DRAGON CON ANNOUNCES AWARDS

Dragon Con has announced that they are launching the Dragon Awards. The awards will be voted online with voting open to the public. A short registration process, however, is required <application.dragoncon.org/dc_fan_awards_signup.php>. The first (nominating) round of voting is open until 25 July 2016. The second (final) round will open 2 August 2016.

The 15 categories are sf novel, fantasy novel, YA/middle grade novel, military sf/f novel, alternate history novel, apocalyptic novel, horror novel, comic book, graphic novel, sf/f episode (in a TV or internet series), sf/f movie, sf/f PC/console game, sf/f mobile game, sf/f board game, and sf/f miniatures/collectible card/role-playing game.

March Minutes

by Steve Sloan

The March meeting of the North Alabama Science Fiction Association was called to order on Saturday, March 26, 2016, in the Madison satellite location of Willowbrook Baptist Church at 6:38:55P by President Mary Lampert, the gavel, and the crickets.

OLD BUSINESS

Nope.

NEW BUSINESS

Nada.

CON BUSINESS

Con†Stellation 2016 had a concom (convention committee meeting) before the meeting, but almost nobody showed up. There will be a convention this year because we already have a hotel contract. [And guests, and a committee, and all else in progress. -ED]

Con†Stellation 2017 co-con chair Judy reported that there will be a con next year. There’s a possibility that Les Johnson will have a scheduling conflict with an interstellar workshop that’s planned for about the same time.

Sam, in his role as Con†Stellation 2015 treasurer, reported that one of the club CDs matured, so he was able to pay himself back one-third of his personal loan to the con.

There was a digression about Stephanie Osborn’s new hair style as she and her husband Darrell “Doc” Osborn entered the room.

Sam moved to adjourn at 6:42:57P.

The March program was a reading by Stephanie Osborn of her new “Displaced Detective” prequel, *Sherlock Holmes and the Mummy’s Curse*. The After the Meeting Meeting was hosted by Jim and Tracey Kennedy at the meeting location.

NASA's Mars Exploration Program seeks to understand whether Mars was, is, or can be a habitable world. Missions like Mars Pathfinder, Mars Exploration Rovers, Mars Science Laboratory and Mars Reconnaissance Orbiter, among many others, have provided important information in understanding of the habitability of Mars. This poster imagines a future day when we have achieved our vision of human exploration of Mars and takes a nostalgic look back at the great imagined milestones of Mars exploration that will someday be celebrated as "historic sites."
